

Changes to Argus Freight effective 1 February 2007

Argus is introducing a new dirty 130,000 tonne west Africa to UK Continent/Mediterranean freight assessment in both WS points and \$/t units.

The data codes for these are:-

PA-code	time stamp	price type	continuous forward	description	start date
PA0004532	0	20	0	Dirty West Africa-UKCM 130kt \$/t	01-Feb-2007
PA0004533	0	20	0	Dirty West Africa-UKCM 130kt WS	01-Feb-2007

Note Argus freight data is not available in legacy G-code format.
