

Change to Argus European Crude effective immediately today (1 March 2007)

Crude supplies from Russia to the Mazeikiai refinery in Lithuania have stopped and there is no prospect that deliveries will be resumed in the foreseeable future.

As a consequence the Druzhba Lithuania data series are being stopped immediately so the following data codes are discontinued effective today.

G-code	PA-code	Time stamp	Price type	Continuous forward	Description	Start date	End date
GCDLCLIT\$	PA0003395	4	3	0	Druzhba Lithuania monthly price	06/06/2005	28/02/2007
