

Argus European Emissions report and data changes effective 3rd September 2007

Argus has discontinued the CO2 CDM CER scheme phase 1 assessment due to lack of interest. This should have stopped on 28th February 2007 and replaced with the new assessment of CO2 CDM CER delivery December year, which is consequently quoting two years ahead.

In addition to this Argus is extending the CO2 EU ETS delivery December year assessment by two more years.

The discontinued codes are as follows:
