

Changes to Argus CSV documentation file effective 27 October 2008

Argus is adding two new fields (columns) to the latestmodules.csv file in addition to the existing fields. The two fields will contain the actual FTP folder as presented to FTP clients and the last field will be the file creation time.

File creation times are listed in EST but will reflect US clock changes to daylight savings time (EDT).

Old file format

Module	Path	FileName	Description
CoalAPI	DATA\DAMCOAL	dcm	Argus McCloskey coal
DAGM	DATA\DAGM	dagm	Argus Global Markets
DAGMNB	DATA\DAGMNB	dagmnb	Argus Global Markets netbacks

New file format

Module	Path	FileName	Description	Folder	Time
CoalAPI	DATA\DAMCOAL	dcm	Argus McCloskey coal	\DAMCOAL	16:30:00 EST
DAGM	DATA\DAGM	dagm	Argus Global Markets	\DAGM	23:59:00 EST
DAGMNB	DATA\DAGMNB	dagmnb	Argus Global Markets netbacks	\DAGMNB	23:59:00 EST

All documentation files are available in the \DOCUMENTATION folder
