Changes to Argus Russian Motor Fuel data files effective 1 July 2009

To follow recent market development Argus is implementing the following changes to Argus Russian Motor Fuel (damtr) datafile.

The following series will stopped from 1 July 2009:

PA code	Description
PA0004872	Gasoil diesel summer Omsk (for Far East)
PA0004849	Gasoil diesel winter Omsk (for Far East)
PA0004828	Gasoline A-80 Omsk (for Far East)
PA0004788	Gasoline AI-92 Omsk (for Far East)
PA0004808	Gasoline AI-95 Omsk (for Far East)

G-code data feed is not affected by this change.
