

Changes to Argus International LPG data files effective 1 July 2009

To reduce duplicate publication of data, Argus is removing reference and comparison prices from the Argus International LPG data module. Only data that is created for the Argus International LPG publication will remain in its associated data file. This minimises potential discrepancies across Argus data files.

This change affects the data file only, not the report.

The following series will no longer appear in the DPG csv data files from 1 July 2009:-

PA-code	Time stamp	Price type	Continuous forward	Description
PA0001723	6	1	0	North Sea Dated
PA0001723	6	2	0	North Sea Dated
PA0001723	6	3	0	North Sea Dated

This same change will be in the DPG legacy g-code file:-

G-code	Time stamp	Description	Price type
GCBFO011L	16:30HRS	ARGUS, NORTH SEA DATED	Bid
GCBFO011H	16:30HRS	ARGUS, NORTH SEA DATED	Ask
