

Changes to Argus Freight effective 26 October 2009

Correction, this series was previously given code PA0007024, due to a technical error Argus is replacing this code with details below.

Argus is introducing a lump sum assessment for 135,000 t Mediterranean / Black Sea going East dirty (crude) freight costs in \$ to the Argus Freight.

The following new code will be added to the DFR1 data module

PA-code	Time stamp	Price type	Continuous forward	Description	Differential basis	Start date	End date	Unit	Category
PA0007156	0	8	0	Dirty Med/Black Sea -East 135kt (lump sum) \$	-	26-Oct-2009		USD	->Freight->Dirty- >Mediterranean
