

Changes to *Argus* Crude report and data effective 15th February 2010

From 15 February 2010, *Argus* will no longer publish Open, High and Low prices for Mideast Gulf crude futures contracts trading on the Tocom exchange, and will also cease to publish High and Low prices for DME Oman futures. *Argus* will continue to publish daily settlement prices for four forward months on each of these exchanges and daily volumes traded on the published contracts.

The CSV codes that are stopping and that will be removed from the DMC data module:
