

Changes to *Argus* Crude report and data effective 1st March 2010

Argus will be introducing the following Nigerian official price assessment to the *Argus* Crude report and data feed effective 1st March 2010.

The CSV codes are as follows:

PA-code	Time stamp	Price type	Continuous forward	Description	Diff basis	Start date	End date	Unit	Category	Frequency
PA0007727	0	3	0	Akpo Official price	North Sea Dated	01-Mar-2010		USD/bl	->Crude->Official/Formula Price->West Africa	Daily

The legacy g-code files remained unaffected.
