

**Update: Changes to Argus US Products effective 24 March 2009**

**Correction to RVP values, these should be RVP 9.0 not RVP 7.8**

Argus is introducing a new Gasoline 85 CBOB colonial series, for 9.0RVP as a summer supplemental Grade. This series will be in the US products report and data feed. Please Note :- The 90 CBOB gasoline 9.0RVP series scheduled for 18 March has now been deferred by the Colonial pipeline until 24 March so it will start along side 85 CBOB.
