

Change to Argus Base Oils effective 28 October 2011

Argus is discontinuing the following SK Lubricants fob Houston prices (in both \$/t and \$/usg) from 28 October 2011. The last published values were for 7 October 2011 and this will be the end date of both these series. These series are stopping as SK Lubricants has stopped issuing posted prices for this grade.

The CSV codes being stopped in *dbow.csv files the /DBASEOILS folder are:-
