Changes to Argus International LPG effective 25 Sept 2012

The following series should have been added to the DGPUS files in the DLPG folder of the ftp.argusmedia.com server.   These series have been in the DPG files in this folder since launch, they are not new series. They are produced in US so should have been part of the US sub-set of the International LPG data.

CSV codes added to the DPGUS files are:-

G-code	PA-code	Time stamp	Price type	Continuous forward	Description	Start date	End date	Unit	Category	Frequency
GP9967A0L	PA0009967	2	1	1	Propane USGC export month	01-Jun-2012		USC/USG	->LPG->Americas->Propane	Daily
GP9967A0H	PA0009967	2	2	1	Propane USGC export month	01-Jun-2012		USC/USG	->LPG->Americas->Propane	Daily

No change to legacy g-codes
