

## Changes to Argus NGL Americas data feed effective 2 October 2012

Due to an oversight when the following series was introduced in June 2012 the existing data codes were not added to the DNGL data files in the DNGL folder of the <ftp.argusmedia.com> server

The CSV codes are

PA-code	Time stamp	Price type	Continuous forward	Description	Start date	End date	Unit	Category	Frequency
PA0009967	2	1	1	Propane USGC export month	01-Jun-2012		USC/USG	->LPG->Americas->Propane	Daily
PA0009967	2	2	1	Propane USGC export month	01-Jun-2012		USC/USG	->LPG->Americas->Propane	Daily

At the same time the price series have been adjusted to 3 decimal places to match the publication.

No Legacy g-codes for this data module.
