

Changing Argus BioFuels effective 2 January 2013

Argus has changed the specification of the existing Argus FAME 0° C CFPP cif Genoa assessment. This assessment now follows the renewable energy directive (RED) specification.

The code has been renamed from:

Biodiesel FAME 0C CFPP cif Genoa

to:

Biodiesel FAME 0C CFPP RED cif Genoa

NOTE: This data is not available in legacy g-code format.
