

**Changes to Argus Air Daily report and datafeed effective 08 January 2013**

These new quotes will appear in the dusem.csv files in the DADR folder of ftp.argusmedia.com, starting 08 January 2013. Data will be temporarily suspended for quotes with continuous forward 2 (currently the 2014 contract) until liquidity is sufficient to resume publication of values.

Historical data will be available on request for the new quotes, starting 26th December 2012.
