

Changes Argus Biomass Markets effective 20 February 2013

Argus is discontinuing its wood chip assessments on a price by mass basis and replacing them with a price by energy basis. At the same time the USA cif terminal wood pellet assessments are also being discontinued.

To accomplish this, the following series will be published on 20 February for the last time in the DABM data module on the ftp.argusmedia.com server:

PA-code	Time stamp	Price type	Continuous forward	Description	Start date	End date	Unit	Category	Frequency
