

Changes to Argus European Natural Gas effective 1 October 2013

Argus is adding the PEG Sud day-ahead index to the data feed. This series should have been added in 2009 but was accidentally omitted.

The following data codes will be added to the /DENG folder of ftp.argusmedia.com server

PA-code	Time stamp	Price type	Continuous forward	Description	Start date	End date	Unit	Category	Frequency
PA0012936	6	4	0	Natural gas PEG Sud day-ahead index	01-Dec-2009		Euro/MWh	->Natural gas->Europe->PEG Sud	Daily

The Dec 2009 onwards history up to 30 September 2013 will be available on request in standard Argus data CSV format from 1 October, when the data code is launched.
