

Changes to Argus Russian Crude Domestic Market effective 16 June 2014

To better reflect the size of cargoes loading in Novorossiysk, Argus is changing the Urals Med and netback assessments from 135,000t to 140,000t cargoes.

The following codes are renamed in the drnr files of the DRNR folder of <ftp.argusmedia.com> server

PA code	Old description	New description
PA0008327	Urals Med 135kt	Urals Med 140kt
PA0008328	Urals netback (135kt) fob Novorossiysk	Urals netback (140kt) fob Novorossiysk
