

### Changes to Argus FSU Energy effective 19 June 2014

To better reflect the size of cargoes loading in Novorossiysk, Argus is changing the Urals Med and netback assessments from 135,000t to 140,000t cargoes.

The following codes are renamed in the dfsue files of the DFSUE folder of <ftp.argusmedia.com> server

<b>PA code</b>	<b>Old description</b>	<b>New description</b>
PA5001273	Urals Med 135kt Wed snapshot	Urals Med 140kt Wed snapshot
PA5001221	Urals netback (135kt) fob Novorossiysk wed snapshot	Urals netback (140kt) fob Novorossiysk wed snapshot
