

Correction to Argus European Natural gas documentation effective 28 July 2014

This is a correction to the Meta data for code **PA0010643 Natural gas NCG-TTF Eur/MWh Basis weekend**.

The original timing was incorrectly set to “day-ahead” timing. This has been corrected to “Weekend” timing.

This is a documentation change/correction only. No changes to Argus data published are required as a result of this correction.
