

Changes to Argus Crude effective 1 August 2014

Argus is adding a new Argus Condensate Index (ACI) to the Argus Crude and two supporting freight rates. The methodology is explained in the Main Argus Crude methodology available at <http://www.argusmedia.com/Methodology-and-Reference>

The following data series will be added to the DMC files in the \DCRDEASIA folder in the <ftp.argusmedia.com> server.
