Changes to Argus/McCloskey Coal Price Index Report, effective 5th September 2014

Argus is making the following changes to Argus/McCloskey Coal Price Index Report effective 5th September 2014. This change is necessary to avoid delay in data delivery. The changes will be in the CoalAPI module in the dcm files within the DATA\DAMCOALfolder on ftp.argusmedia.com.

Argus is stopping the following daily differential assessment.

PA-code	Time stamp	Price type	Continuous forward	Description	Differential basis	Start date	End date	Unit	Category	Frequency
PA0012924	0	49	0	Coal API 3 index (fob Richards Bay 5500)	Coal API 4	05-Sep-2014	05-Sep-2014	USD/t	->Coal->Africa	Weekly

The above daily differential assessment will be replaced by the following.

PA-code	Time stamp	Price type	Continuous forward	Description	Differential basis	Start date	Unit	Category	Frequency
PA0015164	0	49	0	Coal API 3 to API 4 prorated differential	Coal API 4	05-Sep-2014	USD/t	->Coal->Africa	Weekly

Questions should be sent to datahelp@argusmedia.com
