

Changes to Argus Рынок Каспия (Argus Caspian Market) effective 23 December 2014

Argus is permanently stopping the following daf Afghanistan assessments due to a lack of liquidity. The assessments were previously suspended on 8 December 2014 pending a review of liquidity. Liquidity hasn't improved since the last published assessment and so Argus is retrospectively stopping the assessments with the 8-Dec-2014 being the end date for the following series:
