

Introduction of Argus Black Sea Steel report and data feed effective 06 July 2015

Argus is introducing a new Argus Black Sea Steel report and associated data feed. The following data series will become available on 06-Jul-2015 as DBlackSeaSteel data module in /DBlackSeaSteel folder on ftp.argusmedia.com. The scheduled data file will be produced daily at 21:00 GMT.

Three new categories have been created to accommodate this change:

- >Metals - Ferrous->Steel
- >Metals - Ferrous->Scrap
- >Metals - Ferrous->Iron Ore
