

Changes to Argus Marine Fuels effective 01 October 2015

Argus is making changes to Argus Marine Fuels. These changes apply to the data files in the damarinef data files in the \DAMarineF folder on ftp.argusmedia.com.

Petrobras has discontinued posting high-sulphur 180cst and high-sulphur 380cst prices in the port of Suape. Argus will discontinue publishing prices in Suape until Petrobras resumes posting.
