

Changes to Argus European Natural Gas effective 25th February 2016

The following code was incorrectly created at the launch of this series, creating inconsistencies with other similar European Natural gas 'gas year' series. Argus has decided to correct this as soon as it was brought to our attention.

PA-code	Description	Old Timing	New Timing
PA0017684	Natural gas TTF-Zee basis Eur/MWh gas year	Year	Gas Year

Please note the price values and forward period values for this series are correct to date.
