

## Changes to Argus Documentation effective 3 April 2017

Argus is renaming four existing data modules to assist in identifying the module content with the FTP folder. The content for each module will be in Latestmoduledetails.csv as before.

The following four entries in latestmodule.csv

Module	Path	FileName	Description	Folder	Time	LocalTime	LocalTimeZone
CoalAPI	DATA\DAMCOAL	dcm	Argus McCloskey coal	\DAMCOAL	15:30:00 EST	15:30:00	Eastern Standard Time
DASCI	DATA\DCRDEASCI	dasci	Argus Sour Crude index	\DCRDEASCI	18:00:00 EST	17:00:00	Central Standard Time
USCoal	DATA\DCDR	dcu	Argus Coal Daily	\DCDR	20:00:00 EST	20:00:00	Eastern Standard Time
USEmiss	DATA\DADR	dusem	Argus Air Daily	\DADR	20:00:00 EST	20:00:00	Eastern Standard Time

The modules are being renamed as below

Existing module name	New module name
CoalAPI	DAMCOAL
