

UPDATED: Changes to Argus Metal Prices effective 21 April 2017

Argus is updating the units for tellurium fob US warehouse series in Argus Metal Prices effective 21 April 2017. These changes apply to the DAMPrices.csv file in the \DAMPrices folder on ftp.argusmedia.com

Previously, units for tellurium fob US warehouse were labelled as USD/kg. Values published in these series reflected a USD/lb assessment and the units have now been updated to reflect that.

The change from USD/kg to USD/lb described above was made in error. Units have been restored to USD/kg.
