

Changes to Argus Forward Curves effective 17 April 2018

Argus is updating the description for the WTI product in Argus North American Crude Curve from 'WTI crude oil futures settlement' to 'WTI formula basis'.

These changes apply to data published in the FWDCRD folders of <ftp.argusmedia.com> and via the Argus Forward Curves API.

Product_ID	Old description	New description
69	WTI crude oil futures settlement	WTI Formula Basis
