

Changes to Argus Chlor-Alkali and Derivatives effective 20 July 2018

Argus is changing description and timing for the following code in the Argus Chlor-Alkali and Derivatives data module. It was incorrectly assigned to quarter instead of month timing. Please find the old vs new description and timing details below, users should review the online documentation files for the updated meta-data for this series. The related data has been corrected to include the correct forward period and year data for the month timing instead of quarter timing. The following PA code details will appear in the DChlorAlkali module in the DChlorAlkali folder on ftp.argusmedia.com effective 20 July 2018.

PA Code	Old Description	New Description	Old timing	New timing
PA0020401	Chlorine US contract quarter	Chlorine US contract month	quarter	month
