

Changes to Argus Моторное топливо Украины (Argus Ukrainian Motor Fuels) effective 23 September 2020

Argus is correcting differential basis used for **Diesel Russian fob Ventpils netback to Russian-Belarusian border** assessment. The basis is changing from **Diesel NWE barges/cargo** to **Diesel fob Med**. Old differential basis was attached to the series in error and now being corrected. Published prices are not changing their values but only the reference to their differential basis.
