

Changes to Argus Americas Biofuels effective 15 October 2021

Argus is making changes to the Argus Americas Biofuels data feed. These changes apply to data found in the 'duse' files of the DUSEthanol folder of ftp.argusmedia.com.

The following new code will be added starting 15 October 2021:

PA-code	Time stamp	Price type	Continuous forward	Description	Differential basis	Start date	Unit	Category	Frequency
PA0033808	21	8	0	California LCFS premium per carbon intensity point renewable diesel year	-	15-Oct-2021	USC/USG	->Emissions->CO2	Daily
